Rs. 6,000 per annum only from Mysore Iron and Steel Ltd., from 1958-59.

(e) Yes.

Sri ABDUL KHUDDUS ANWAR.—In answer to (b) and (c) the reply given is 'No'. Is it not a fact that ever since the Hon'ble Chief Minister's visit to Bhadravathi in 1957 and the Hon'ble Municipal Administration Minister's last visit to Bhadravathi, we have been requesting Government to enhance these pollution charges and stand guarantee to the Municipality ?

Sri R. M. PATIL.—Yes.

2-00 P.M.

Sri H. SIDDAVEERAPPA.—Is the Government aware that by this pollution, the water supply right upto Honnali has been polluted and a number of villagers have been subjected to all kinds of difficulties and if so, what is it the Government proposes to do in the matter ?

Sri R. M. PATIL.—The compensation has been paid every year and it has also been increased to Rs. 1,500 from Rs. 1,200.

Sri H. SIDDAVEERAPPA.—If the compensation is paid, may I know, how does it help the villagers?

Sri R. M. PATIL.—That will not be helpful because it will not be a stopped pollution. What is wanted is to provide water supply. For that purpose there is a comprehensive scheme prepared and that will be formulated in the near future. Now the Municipality has augmented its resources.

Sri H. SIDDAVEERAPPA.—May I know whether the Government will take some steps to see that the rural folk is not subjected to this pollution?

Sri R. M. PATIL.—Necessary steps will be taken up.
